Agenda Item 3.1.3

Topic: Student Transportation

Strategic Direction: Objective 1.3 – Be operationally efficient in order to maintain a low cost of attendance for students

Presented By: Dr. David Hellmich and Dr. Steve Nunez

Presentation:

SVCC utilizes two fifteen-year-old buses to transport students (typically, athletes, students in TRIO, and students in student activities) to and from college events. The College has \$40,000 in its Transportation Fund and \$45,000 in funding bonds set aside to replace the two buses and plans to purchase used vehicles, which do not need formal Board approval.
