

**Sauk Valley Community College
April 27, 2020**

Action Item 4.10

Topic: **Public Bid Action – 2020 PHS Exterior Lighting Improvements Project**

Strategic Direction: **College Health Metric 4 – Campus Environment: College facilities and grounds are clean and updated. The campus is safe, secure and welcoming**

Presented By: **Dr. David Hellmich and Kent Sorenson**

Presentation:

In October 2019, the Board of Trustees (the Board) approved replacement and upgrades to the College’s parking lot and roadway lighting with a budget allocation for construction of \$385,000. The project was publicly advertised on February 24, 2020, a pre-bid meeting was held on March 2, 2020, and three (3) contractors and three (3) plan rooms requested were provided bid documents by Willett Hofmann and Associates, Inc. Two (2) bid proposals were received, opened, and read aloud at the College on March 13, 2020. The results were as follows:

Bidder	Bid
McGinn & McGinn, Inc. d/b/a Engel Electric	\$ 314,383
Loescher Heating & Air Conditioning, Co.	430,060

Recommendation:

The Administration recommends the Board accept the bid from McGinn & McGinn, Inc. d/b/a Engel Electric for the 2020 PHS Electrical Improvements Project.
