

**Sauk Valley Community College**  
**June 22, 2020**

**Action Item 4.5**

**Topic:**                   **Services Fee Proposal – Professional Services for Replacement of AHU 9**

**Strategic Direction:** **College Health Metric 4 – Campus Environment: College facilities and grounds are clean and updated. The campus is safe, secure and welcoming.**

**Presented By:**       **Dr. David Hellmich and Kent Sorenson**

**Presentation:**

Air Handler Unit 9 (AHU 9) controls air flow in the College’s gymnasium. Similar to all of the College’s original air handler units, AHU 9 is at the end of its service life and is in need of replacement. Willett Hofmann & Associates, Inc. has provided a proposal to perform professional services related to the replacement of AHU for a total fee not to exceed \$43,500.

The Local Government Professional Services Selection Act (50 ILCS 510/4) exempts contracts for engineering services from public notice and quality based selection criteria when the political subdivision has a satisfactory relationship for services with one or more firms.

**Recommendation:**

The administration recommends the Board accept the proposal from Willett Hofmann & Associates, Inc with a fee not to exceed \$43,500 to be paid from restricted 2018 Funding Bond proceeds.
