Presentation:

Section 3-19 of the Public Community College Act (110 ILCS 85) requires the treasurer to execute a bond with a penalty of 25% of the amount of all bonds, notes, mortgages, moneys, and effects of which the treasurer is to have custody. The penalty of the bond of the treasurer shall be increased or decreased from time to time, as the increase or decrease of the amount of notes, bonds, mortgages, moneys, and effects may require. The bond must be approved by at least a majority of the board of the community college district and filed with the State Board. A copy of the bond must also be filed with the county clerk of each county in which any part of the community college district is situated.

This bond is necessary to adjust the penalty for the issuance of the College's debt certificates.

Recommendation:

The administration recommends the Board approve the attached Public Official Bond issued by Liberty Mutual Surety with a penalty of \$1,250,000 in conjunction with the issuance of the College's Debt Certificates Series 2021.
