**Presentation:**

On May 7, 2021, the College unveiled *The Sauk Edge: Advancing Online Learning*, an 18-month structured plan to provide resources to bolster engagement with students online and in remote learning environments. Through the work of the Online Learning Committee and many others, a robust offering of services has been developed to provide increased multimedia and video, professional development, and expanded technologies and software. An overview of this plan will be shared with the Board.
