Action Item 4.2

Topic: A/E Proposal – 2022 West Mall Student Plaza Project

Strategic Direction College Health Metric 4 – Campus Environment: College facilities and grounds are clean and updated. The campus is safe, secure and welcoming.

Presented By: Dr. David Hellmich, Rich Groleau, and Kent Sorenson

Presentation:

Willett, Hofmann & Associates, Inc. proposes to team with Ayres Associates, Inc. (AYRES) of Eau Claire, Wisconsin as a professional architecture and engineering sub-consultant providing landscape architecture, civil engineering, and electrical engineering services for this West Mall Student Plaza Project. Architectural and Engineering (A/E) services will be provided to design, bid, and oversee renovation and construction of a student plaza adjacent to the Rock River side of the West Mall entrance of the College. Willett Hofmann & Associates, Inc. has provided a proposal to perform these professional services for a total fee not to exceed \$66,500.

The Local Government Professional Services Selection Act (50 ILCS 510/4) exempts contracts for engineering services from public notice and quality based selection criteria when the political subdivision has a satisfactory relationship for services with one or more firms.

Recommendation:

The administration recommends the Board accept the proposal from Willett Hofmann & Associates, Inc with a fee not to exceed \$66,500 to be paid from restricted funding bond resources.
