Action Item 4.11

Topic: Video Studio Equipment Purchase

Strategic Direction: Goal 2 – Increase Academic Achievement

Presented By: Dr. David Hellmich, Dr. Lori Cortez, and Eric Epps

Presentation:

SVCC's Video Studio is designed to advance the Sauk Edge initiative by creating high quality Academic and Marketing videos. In order to achieve the desired quality of videos, the College seeks to purchase three video cameras and three lenses at a total cost of \$39,669.60.

Illinois Public Community College Act (110 ILCS 805) and SVCC Board Purchasing Policy (305.01) exempt contracts for the purchase and installation of IT equipment from public bid/solicitation requirements. The equipment will be purchased from Midwest Photo with Education discounts applied.

Recommendation:

The administration recommends the Board approve the purchase of video cameras and lenses from Midwest Photo for \$39,669.60 to be paid from federal HEERF and restricted use bond proceeds.
