Topic: IncludEd Course Material Fee Recommendation

Strategic Direction: Goal 1, Objective 1 – Identify and remediate barriers to student access

Presented by: Dr. David Hellmich, Dr. Jon Mandrell, and Kent Sorenson

Presentation:

The College has partnered with Follett Bookstore to offer the IncludEd book program that can significantly reduce the cost of course materials by incorporating them into the College’s tuition and fee model, allowing students to access their digital course materials through their learning management system Canvas. Therefore, students will have access to required course materials at the start of class with the hope to help student engagement and positive learning outcomes and at a significantly reduced cost.

Below are the fees that will be attached to the course materials for the classes being offered for the summer and fall semesters.
