

**Sauk Valley Community College
March 28, 2022**

Action Item 4.9

Topic: Video Studio Projector and Lighting Equipment

Strategic Direction: Goal 2 - Increase Academic Achievement

Presented By: Dr. David Hellmich, Dr. Lori Cortez, and Kathy Dirks

Presentation:

Sauk Valley Community College's Video Studio is designed to progress the Sauk Edge initiative by creating high quality academic and marketing videos. In order to achieve the desired quality of videos, the College would like to purchase a projector and lighting equipment at a total cost of \$31,011.51.

Illinois Public Community College Act (110 ILCS 805) and SVCC Board Purchasing Policy (305.01) exempt contracts for the purchase and installation of IT equipment from public bid/solicitation requirements. The equipment will be purchased from B&H Photo with OMNIA Partners Education discounts applied.

Recommendation:

The administration recommends the Board approve the purchase of a projector and lighting equipment from B&H Photo for \$31,011.51 to be paid from federal HEERF and restricted use bond proceeds.
