May 20, 2024**

Agenda Item 3.1.3

Topic: Evil-Doer Email Education

College Health Metric: Information Technology – The College provides secure access to resources for students, faculty, staff, and the community.

Presented By: Dr. David Hellmich and Kathy Dirks

Presentation:

The College experienced a data-security incident that could have perilously significant if not for the quick and decisive action of staff from Information Technology Services. Education about this incident was shared with faculty and staff at the most recent college virtual meeting. An overview of the incident and education will be provided.
