February 24, 2025**

Agenda Item 3.1.3

Topic: Health Professions Review

Strategic Direction: Workforce Development – Sauk Valley Community College meets the workforce needs of the region through effective and responsive programming and services for all learners.

Presented By: Drs. David Hellmich and Jon Mandrell

Presentation:

As part of the college's mission, the Health Professions areas provide a critical role in workforce development and in the wellness of our citizens. The college's leadership, faculty, and staff work closely with partners to assist at sites, helping both providers in their needs and students in their degree completion. A review of the Health Professions programs will be provided.
