

Sauk Valley Community College
May 20, 2024

Action Item 4.4

Topic: Faculty Resignation – Mathematics

College Health Metric: Academics – The College provides quality, contemporary, and relevant educational opportunities to the community.

Presented By: Drs. David Hellmich and Jon Mandrell

Presentation:

Connor Williams has submitted his intent to leave SVCC effective August 4, 2024. Connor was hired in August 2021 as an Assistant Professor II of Mathematics. Professor Williams has taught Developmental Mathematics, College Algebra, Calculus I, Calculus II, and Statistics. He was the area leader during the 2023-2024 academic year.

We thank Connor for his service and dedication to SVCC, our community, and our students.

Recommendation:

The administration recommends the Board accept the resignation of Connor Williams as an Assistant Professor II of Mathematics effective August 4, 2024.

Dear Board of Trustees,

My name is Connor Williams, I am a Mathematics Faculty. I have accepted a position at Joliet Junior College. Please accept this letter as my resignation. I am greatly appreciative of my time here at Sauk. I enjoyed every day coming to work with the Faculty, Staff, and most importantly the students here at Sauk. JJC is a great opportunity for myself and my family, due to it being so close to home. My last day of work will be August 4th 2024.

Thank you,

Connor Williams
