# WELCOME

Thank you for your continued support of Skyhawk Athletics. We are excited about this year's athletic endeavors and are proud of every one of our student-athletes. We look forward to exciting and challenging winter and spring campaigns for our sports teams. Each program has great coaches and leadership, and we are hopeful that more successes are on the horizon for Skyhawk athletics.

The Skyhawks started the year off on the right foot, with accomplishments coming from our National Qualifiers. The Men's Golf team (under the direction of Head Coach CJ Wade) and Women's Tennis team (led by Sara Kipping) earned a spot at their respective NJCAA Championships this spring. Men's Cross Country sent Ruben Leal and Dillion Forbeck to the National Championships, and the Women's Cross Country team; Xheneta Beqiri, Kelynn Boyle, Nataleigh Nugent, and Haley Weidner, qualified as individuals for the National Championships. The Skyhawk Cross Country program is led by Nick Hartz. Women's Tennis athlete, Adela Bajramoska, received the Region IV Sportsmanship Award. Skyhawk Volleyball are co-champions for the Arrowhead Conference, with a 9-1 record and will enter Regional play in the second week of November.

The basketball seasons are already under way, and many new faces appear in the rosters for both the men's and women's programs. Last year, the men's team, under the direction of second year Head Coach, AJ Sharp, had a successful campaign with a 20 win season, ending the year at 20-9 overall. The Skyhawk women fell one game short of a berth to the National Championships, losing out in the Regional finals. They ended the year at 13-17 overall. This year's women's basketball team is led by local basketball legend, Jamie Russell. Teams will enter into Arrowhead Conference play in January.

The spring will bring about our outdoor sports. Last year's Assistant Coach of Softball was Chelsea Eads. This year she steps up to the plate as Head Coach. Baseball has increased its team from just a mere 10 athletes last year to a 30-person team, under the tutelage of second year Head Coach, Zach VanWashove. Both teams sport new looks and different rosters, and will be a lot of fun to watch. The spring season opens for Golf with its conference schedule, and Men's Tennis boasts a talented roster of athletes and is expected to do well. Track and Field's debut begins this spring with a lot of local talent on the team and is led by yours truly, Mike Stevenson.

Every year, Skyhawks compete in the Arrowhead Conference and the NJCAA Region IV. We always stack up well with our rivals, and the thing that can always help to push any team over the top is great fan support like yours. We encourage you to get out to as many contests as you can, and consider the purchase of season tickets. Our squads feature a ton of local talent and these hard working student-athletes would love to have the support of the community.

So come on out and support Skyhawk Athletics! We are sure that you will be glad you did. Again, thank you for all your support.

## GO SKYHAWKS!

**MICHAEL STEVENSON**  
*Skyhawk Director of Athletics*

The Skyhawks'

## SPORTS FLASH

### THE OFFICIAL NEWSLETTER OF THE SKYHAWK ATHLETICS BOOSTER CLUB WINTER/SPRING 2019-20

#### GOLF

Fall 2019: Skyhawk Golf team advances to NJCAA National Championships.

#### CROSS COUNTRY

**2020 OUTLOOK**

The 2020 season looks to be an exciting one for SVCC Baseball. The team originally a squad of 10 in 2019, has grown to a 30 person team for the 2020 season. Competing in conference looks promising, considering the immense talent on the roster this year. The team is a hardworking group of individuals, ready to work hard to achieve success for the 2020 season.

**HEART • EFFORT • ATTITUDE • RESPECT • TEAM**

**HEAD COACH  
ZACHARY VANWASSENHOVE**

Zachary VanWassenhove is from Kewanee, Illinois. A 2013 graduate from Wethersfield High School, he played four years of varsity baseball. He played a year of baseball at both Black Hawk College and Carl Sandburg College, and graduated from Carl Sandburg College with an Associate degree in Biology.

VanWassenhove finished his college career at Monmouth College, where he played baseball for two years and received a Bachelor degree in Exercise Science.

## MEN'S BASKETBALL

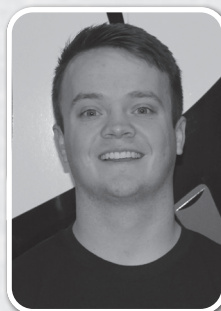

### 2019-20 OUTLOOK

The Men's Skyhawk Basketball team is looking to take the next step from where they finished last year. The Skyhawks will rely on a group of returning starters, along with key newcomers, to improve this year. Nolan Govig, a returning forward from Indian Creek High School, was a 28 game starter as a freshman and looks to have a breakout year. Fred Brown, a 25 game starter as a freshman, is making the move to PG this upcoming season. Markel Hudson, a sophomore from Orlando, Florida, shot 60 percent from the field as a freshman, and looks to bring high efficiency to this year's team. Jyaire Robinson, a returner from Rockford Jefferson High School, is poised for a big year. Jyaire is the leading scorer returning from last year. Austin Meiners is the final returner from last year's 20-10 team. Austin, originally from Rock Falls, is a great local talent with many abilities to contribute to this team's success.

Newcomers on this year's team are led by sophomore, Andrew Morrissey, from Winnebago. Andrew, a transfer from University of Northern Alabama, looks to have a big year with the Skyhawks. Cade Nailor, Beau Bailey, and Derian Duncan are local guys, who will lead the freshman group of newcomers. Other very talented freshman include Shon Ford, Mario Williams, and David Williams. Shon and Mario are from Milwaukee, Wisconsin, both are extremely talented, and give the Skyhawks good size and skill. David is from Harlem High School in Rockford. David is a talented scorer and great defender.

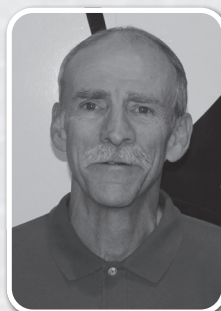

Overall, the Skyhawks look to improve on a 20-10 record and make a run at a Regional Title.

**GO SKYHAWKS!**

### HEAD COACH, AJ SHARP

AJ Sharp enters his third season as the Head Men's Basketball Coach. Last season, the Skyhawks battled the weather, but still achieved a 10-10 record under the second year coach. Coach Sharp graduated from Newman Central Catholic High School in 2014 and continued his basketball career at SVCC. While at Newman, Sharp led his team to a school record of 29-3 during his senior year, while receiving All-State and All-Area awards. At SVCC, Sharp was starting point guard and captain on the 2016 Regional Championship team. He is now working on his Bachelor Degree in Business Analytics at Benedictine University.

### ASSISTANT COACH, RUSS DAMHOFF

Russ Damhoff enters his third year as Assistant Men's Basketball Coach for the Skyhawks, but he's certainly not new to Sauk Basketball. Damhoff served as Head Coach for the Skyhawks for 31 years before retiring in May, 2017.

*"It has been exciting working under Coach Sharp, and hopefully I can help him be successful during his third season as Head Coach. I look forward to working with each of our players and helping them reach their goals," said Damhoff.*

Damhoff received his bachelor and master degrees from Northern Illinois University. He and his wife, Jackie, live in Dixon.

## WOMEN'S BASKETBALL

### 2019-20 OUTLOOK

The 2019-2020 SVCC Women's Basketball team is looking to continue their success from the previous seasons.

The Skyhawks will bring back three familiar faces from the 2018-2019 team. Shian Galbreath, from South Beloit, who suffered an early injury at the beginning of last season, is eager to be back on the floor to help lead the team with her great court vision and slashing abilities. Also returning is Shauni Warner, of Faith Christian, who brings length and defensive skill in the paint. Our last familiar face is Chyeanne Edwards, a sophomore from Beloit, Wisconsin, who is looking to bring a little spark to the Skyhawks. The Skyhawks bring in eight new freshmen and one sophomore. Breanna Fisher and Noelle Jones, the Amboy Dual, are bringing a spark to SVCC's inside game. With Bree's ability to read the ball off the rim and accumulate boards, and Noelle's desire to outwork any player she comes up against, the two will be a great addition to the team. Avery Fox and Zoe Carr come from Dixon bringing a great two-man game to the Skyhawks. Avery will be a great floor general while her former teammate, Zoe, will be a force to reckon with down low. Savannah Skinner and Chloe Klein, from Newman Central Catholic High School, are also powerhouses in their positions. Savannah is any team's dream, blue-collared player who will cause a lot of havoc for other teams. Chloe brings a tremendous amount of height and shot blocking abilities down low. Miranda Hewitt, from Rock Falls, is a versatile player who is capable of knocking down the three, getting to the basket, and racking up a lot of boards. Caitlin Stephens, from Washington, Illinois, has the potential to help bring the ball up the court with the ability to knock down shots and get into the lane. Her quickness will be used on the defensive end as well. Courtney Pierceson, a sophomore from Prophetstown, will be a great threat from the outside, with the ability to get into the lane. All nine of these players have the potential to make a difference and have a big impact on this team, as we are young and will be using everyone's strengths this season. The Skyhawks are excited to shock everyone with an alternative style of play. This is not a one man team, this is a team where everyone is going to contribute in every game, making the Skyhawks very hard to defeat.

**IT SHOULD BE ANOTHER EXCITING  
SEASON FOR THE SKYHAWKS!**

### HEAD COACH, JAMIE RUSSELL

The Skyhawk Women's Basketball team will have a new and first time head coach on the sidelines for the 2019-2020 season. Local basketball legend, Jamie Russell, heads up the squad after returning home to the Sauk Valley area following several years of playing professional basketball in Europe.

Russell, a Rock Falls native, and 2008 RFHS alum, was the Rockets' all-time leader in points (1870) and steals (515). She played college ball at the University of Wisconsin and Illinois State University before making the journey to play professionally. After graduation from Illinois State with a Bachelor's Degree in Criminal Justice in 2013, Russell played for the USA All-Star team that toured China. She was named the World Tour MVP. She then played professionally in the Czech Republic from 2013 to 2018.

### ASSISTANT COACH, MICHELE KRECZMER

This season, Michele Kreczmer will be returning as the Assistant Coach, a role she previously filled for three years until the end of the 2015-2016 season. She stepped up to the Head Coach position for the following two seasons. Michele graduated from Newman Central Catholic High School

in 2009 and went on to play basketball at Western Illinois University. While at Newman, Kreczmer went 53-6 in her junior and senior year seasons. She led her team to two Elite Eight appearances. She was First Team, All-State, and First Team IBCA her senior year. She was also chosen as the female athlete of the year for the Sauk Valley area. At WIU, Coach Kreczmer set the school standard for WIU's career record playing in 121 consecutive games. She also finished ninth among WIU's all-time leaders with 85 career 3-pointers. She graduated with a Bachelor of Science degree in Kinesiology and minored in nutrition from WIU in 2013. Michele now resides in Rock Falls.

## SOFTBALL

### 2019-20 OUTLOOK

With a 10-27 record last year, the 2020 Skyhawk Women's Softball team is looking to rebuild its program. With the experience of nine returners at the helm, the team is looking to improve its record.

Returning for the Skyhawks are McKenna Rommel and Maddi Deery. Behind the plate is Sarah Bisland, who received a Region IV First Team All Conference Award last season. Sarah Bisland's, Hannah Kolling's, and Brittany Blythe's, hold successful hitting recording that will continue into this season to help the Skyhawks. Taylor Hoefler and Aleah Wight will be returning again this season, bringing speed and a great defensive glove. Also returning are Courtney Hoagland and Stephanie Fassler. Hoagland will bring her speed on the bases and Fassler looks to bring a powerful bat this season.

The team has eight incoming freshmen that are committed to helping rebuild the tradition of SVCC softball. Megan Dunsworth and Ashley Blythe will join the pitching staff. On the infield Maddy Hicks and Hailey Frank will compete at the corners, while Leigha Grove and Madi Craft will join the middle infield. To finish out the freshman class, Jessica Woodworth and Miranda Hewitt will be competing in the outfield.

**GO SKYHAWKS!**

### HEAD COACH, CHELSEA EADS

Chelsea Eads, from Morrison, grew up playing softball with the Milan Aces '96. While on the Aces, Eads won three World Series titles and one National title.

Eads attended Morrison High School, where she was a three-sport athlete playing volleyball, basketball, and softball. She was on the Morrison High School softball IHSA State Championship team in 2011 and was awarded First-Team All-Conference Catcher her junior and senior seasons.

Eads went on to play softball on scholarship at Indian Hills Community College, in Ottumwa, Iowa. While there, she was awarded First-Team All-Conference First Baseman. While attending Indian Hills, the nationally ranked Warriors won two conference titles, a District J title, and had a ticket to Nationals.

After graduating in 2016, Eads attended Millikin University in Decatur, IL and was the first basemen on the softball team. During Eads' junior season, the team was Conference Champs. She graduated from Millikin University in 2018 with a Bachelor of Science degree in sports management.

## MEN'S TENNIS

### 2020 OUTLOOK

The Skyhawk's Men's Tennis team welcomes back Jason Rugh, Abe Bajramoski, Henry Steinhagen, Adrian Diaz, and Alex Gallardo. All five of these players did a fantastic job throughout the 2019 season. They will help to lead the team through a challenging spring season. They have the skills and desire to improve on last year's record.

The three new players this season will be Daniel Ferguson who played number 1 doubles for Dixon High School. Joe Riley, who also played doubles for Dixon, and Jacob Treveer, who played number 1 doubles for Newman Central Catholic High School. All three are a welcome addition to the roster this year. They have the experience at the high school level and possess the skills necessary to play at the collegiate level.

The Skyhawks have a very competitive schedule and face eight other NJCAA colleges from the Chicago-land area. The team's goal this season is to be competitive, and place in the top three at the NJCAA Regional Tournament, to qualify for the Nationals. The men are working hard in the off season to get in shape and fine tune their tennis skills. All eight players are great athletes and will give their all to achieve their goals.

### HEAD COACH, SARA KIPPING

Coach Sara Kipping enters her eleventh year as coach of the Skyhawk Men's Tennis team. Kipping continues to build a solid men's program. She is well-known for the outstanding women's tennis program she has coached at SVCC for more than 25 years.

A Sauk graduate and former tennis player herself, Kipping knows the dedication needed to compete in a sport and to excel academically. In both men's and women's programs, she emphasizes the enjoyment of playing competitively and maintaining a good attitude.

Kipping graduated from Sauk with an Associate in Science with an emphasis on education. As a player, she placed second at regional competition and was a member of Sauk's 1983 national qualifying team.

## TRACK & FIELD

### 2020 OUTLOOK

After a hiatus of over 30 years, Track and Field returns to Sauk Valley Community College for the 2020 athletic season. Teams talk about reloading or rebuilding from previous seasons...those don't apply here! The team is building from the ground up, but has a good start with a great deal of local talent.

Boasting a roster of approximately 25-30 student-athletes representing a majority of the schools in the SVCC district, the Skyhawks look to set a precedence in local track and field. Led by team captains Joshua Dallas, a sprinter from Dixon High School, and Alyssa Sigwards, a sprinter from Dixon High School, the Sauk charges are excited to face the challenges ahead.

"We are just excited to have track and field at the collegiate level at our local college," said Sigwards. "It is a great opportunity for a lot of people from our area to continue in track."

Dallas added, "The athletes on the team are very committed to being successful, and that is making it a lot of fun. Everyone is excited for our first meet in March."

The team is not short on talent. Many of the team members have earned a variety of awards in high school, from being local meet champions, to All-Conference, and All-State honors. Fewer meets is a key difference between college and high school track programs. Colleges generally have only one meet a week, making the opportunities to compete more limited. The team is a good mix of sprinters, mid-distance and distance, hurdlers, jumpers and throwers.

The coaching staff has a mix of experiences to aid the Skyhawks as they build the team. Athletic Director Michael Stevenson was named the head coach, and brings with him nearly 30 years of coaching experience. Skyhawk Head Cross Country Coach Nick Hartz has been with Sauk Athletics for five years and has a total of 16 years under his belt. The newcomer to the group is Freya Block. Block brings a wealth of competitive experience to the program as an NCAA First Team All-American, a USATF National qualifier, and a multi time conference champion, all while attending Southern Illinois University in Carbondale.

### HEAD COACH, MICHAEL STEVENSON

Although Stevenson enters his first year coaching Track and Field for the Skyhawks, this is nothing new compared to his past experience in the sport. Stevenson served as the Head Track and Field

Coach at Western Illinois University for 13 seasons, and served another 10 seasons as Assistant Coach at WIU. He also served as an Assistant Coach for three seasons at the Big Ten affiliated Purdue University and spent another two seasons as the Head Coach at the California Institute of Technology (Caltech). A five time Conference Coach of the Year while at WIU, Stevenson has worked with every event on the team. Stevenson has coached 24 NCAA Division I National qualifiers, with 16 of those earning All-American status. He is a USA Track and Field (USATF) Level II certified coach in the jumps. As a Western Illinois student-athlete himself, Stevenson earned All-Conference and Academic All-Conference honors multiple times, as well as serving as a team captain during his junior and senior years. He still remains in the schools Top Ten list as a sprinter. Stevenson holds bachelor's and master's degrees from WIU.

### ASSISTANT COACH, NICK HARTZ

Hartz was Head Coach for track at Bureau Valley High School, and has helped guide multiple athletes to medal at state meets. He is also a USATF Level I certified coach and USATF Level II Coach in

Endurance, Sprints, Hurdles, and Relays. He joined the SVCC staff in 2015 as an Assistant Coach for Cross Country and in 2017 as Co-Head Coach with current Assistant Coach of Cross Country, Mike Sullivan.

Coach Hartz is a 1996 graduate of Bureau Valley High School. He graduated with a Bachelor of Arts in History from Monmouth College in 2000 and a Master of Education in Educational Psychology from the University of Illinois in 2007. He is currently a teacher at Bureau Valley North Junior High School.

### ASSISTANT COACH, FREYA BLOCK

Although it is Block's inaugural year to coaching, she is no stranger to the sport. After a successful high school career at Kewanee High School, Block moved to Division I athletics at Southern Illinois University, Carbondale. There she earned USATF Junior All-American honors in 2014, Missouri All-Conference honors in 2015 and 2017, NCAA First Team All-American Honors in 2017 for the hammer throw.

During her time at SIU, Block completed a Bachelor in Agriculture degree and Master in Agribusiness Economics degree in 2017, and currently works at AgPerspective Inc. in Dixon as a grain marketing consultant.
