

2024-2025 Verification Worksheet

Your 2024-2025 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, Sauk Valley Community College will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must sign this worksheet, attach any required documents, and submit the form and other required documents to the Financial Assistance Office. We may ask for additional information. If you have questions about verification, contact our office as soon as possible so that your financial aid will not be delayed. Your financial aid will not be processed if you fail to turn in all required documentation.
